Overview Things to Do Hotels Dining When to Visit More ▾

BRAD.COV/FLICKR

Located south of Monterey and Pebble Beach, Carmel-by-the-Sea is a humble seaside village with a few small shops and cafes – at least that’s the cover story. In truth, this pricey town has plenty of designer stores, gourmet eateries and upscale art galleries that cater to its wealthy residents (like Clint Eastwood). You’ll find most shoppers and diners around picturesque Ocean Avenue, which leads to Carmel Beach.

Many forego the town's activities in favor of catching some rays on the expansive dog-friendly beach. Recent visitors recommend taking a long walk along the shore at sunset or sunrise. For more information about Carmel-by-the-Sea, check out the town's [website](#).
